SUBJECT SELECTION FORM IBDP

Student

Subject Selection:

- One subject must be selected from each of the 5 IB Subject Groups with no more than three at the Higher Level (HL).
- A second Group 1-5 subject may be chosen in lieu of a Group 6 subject.
- Carefully consider the advice of the teachers before selecting Higher Level subjects.
- A student will often earn one grade lower in the same subject at the Higher Level as compared to the Standard Level.
- For the IB Diploma, average grades of at least 4 are required in higher level subjects and at least 3 in Standard Level subjects. For example, a student earning a grade of 5 (good) in a Standard Level class would be meeting the minimum passing grade of 4 (satisfactory) for the same Higher Level class. A student earning a passing grade of 3 or 4 in a Standard Level would have a failing grade for the same class at the Higher Level. Where there is concern, it is better for a student to start the IB Diploma Program in Standard Level subjects and set a goal of earning grades of 5 before switching to Higher Level in the first semester.
- Maths Higher and Languages have additional entry requirements.
